

Quality Policy Statement

It is the quality policy of ARCHERDALE LIMITED to strive to provide customers with products and service that meet their expectations.

We understand the critical importance of knowing and meeting our customers' needs and expectations.

To fulfil this objective the Company has implemented a quality management system to the requirements of BS EN ISO 9001: 2015. It is a mandatory requirement on all personnel and embraces all the quality activities, which impact upon the interested parties of ARCHERDALE LIMITED

Management, at all levels, is committed to ensuring that the system is effective in achieving quality objectives and satisfying the applicable requirements of interested parties both now and in the future. To this end, management will strive to continually improve its service, processes and effectiveness of the quality management system

The Company will establish, monitor and review measurable quality objectives for the quality management system, processes and service at strategic and management review meetings.

The Quality Management System is seen by Top Management as a key element in promoting a culture of continuous improvement and individual responsibility.

The Quality Policy is available to interested parties via the Company website.
