

Environmental Policy Statement

Archerdale Limited is committed to leading the industry in minimising the impact of its activities on the environment.

To fulfil this objective the Company has implemented an Environmental Management System to the requirements of BS EN ISO 14001:2015.

The key points of its strategy are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Minimise toxic emissions through the selection and use of its fleet and the source of its power requirement.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- Meet or exceed all the environmental obligations that relates to the Company.
- Archerdale Ltd. accepts responsibility for the harmful effects its operations have on both the local and global environment and is committed to reducing them.
- Archerdale Ltd. will measure its impact on the environment and set targets for ongoing improvement.
- The Company will implement a training program for its staff to raise awareness of environmental issues and enlist their support in improving the Company's performance.
- Archerdale Ltd. will encourage the adoption of similar principles by its suppliers.

Archerdale Ltd. is committed to continual improvement of the environmental management system to enhance environmental performance.
